

3 April 1950

Mr. Harry D. Mitchell
Civil Service Commission
Washington 25, D. C.

Dear Mr. Mitchell:

This will acknowledge your letter of 23 March 1950 relative to problems arising from an earlier agreement between the Commission and this agency in regard to submission of personnel reports. The importance of furnishing the Commission immediate reports of reinstatement and transfer actions, as set forth in your letter, is easily appreciated.

I have instructed the Personnel Office to institute immediate procedures to comply with this request and to forward reports of such actions effected subsequent to 11 October 1948.

Your cooperation and assistance in solving the difficult personnel problems resulting from the special security considerations affecting this agency are appreciated and you may be assured that exceptions from regular procedures of the Commission will not be requested except as are required in the solution of our security problem.

Sincerely,

R. H. HILLENKOTTER
Rear Admiral, USN
Director of Central Intelligence
